Sacred Heart High School 2013-2014

S - U - M - M - E - R

Student's Name \_\_\_\_\_ Grade Level \_\_\_\_\_

A graduation requirement of SHHS is to take 4 units of Religion and to perform 25 hours of Outreach Ministry for each year of attendance. The guidelines—as specified on this form—must be followed.

If a student does not meet the final turn-in date (stated below) and/or if the projects do not match the directions in each category, that student will not be able to enroll at SHHS for the next school year until those requirements have been met. (For graduating seniors, diplomas will be held until the projects are completed.)

There will be three turn-in deadlines during the school year. A student loses the acquired hours if they fail to meet the reporting deadline as stated below:

- August 30, 2013 ... report summer hours (yellow form)
- January 10, 2014 ... report 1<sup>st</sup> semester hours (blue form)
- April 23, 2014 ... report 2<sup>nd</sup> semester hours (pink form)

If a student has no hours to turn in during a reporting period, that student will sign a waiver indicating such information.
