

# **NCAA League Winter Fan Expectations and Procedures**

***Effective Thursday, December 10 through January 28, 2021, interscholastic activities will allow for attendance of up to two parents/guardians per participant(s) family as allowed by local board of education or health department restrictions. All other risk mitigation policies put into place by the Board of Directors on November 24 remain in effect and shall be implemented and followed by member schools. Those include strict adherence to universal masking, extended practice moratorium (Dec 23- Jan 3), extended competition moratorium (Dec 23-Jan 7), and restrictions on Invitational Tournaments.***

A reminder that parent/guardian spectators are being allowed as a response to the concerns for liability and safety of student athletes. **If a parent cannot attend, they cannot be replaced by a grandparent, aunt/uncle, family friend, etc.** Failure to properly wear masks the entire time inside or comply with other local rules and expectations will result in spectators losing the opportunity to attend future events.
